Subject: CW v. [REDACTED], JT 3/29/2011

Hi Ann-

I've emailed ADA Opsitnick regarding the above case (his name is on the summons), but I haven't heard back from him, so I was hoping that you would be able to help me with a couple things. First, is ADA Opsitnick the ADA handling this case? If not, who should I contact about this case? I'm curious as we are normally on call for cases in Belchertown, but if it is a new ADA they may not be aware of this (or they may want me there at 9 if they know that the case is definitely going to trial). Second, do you know if it is still scheduled to go to trial, or if it has been resolved?

I also have similar questions regarding the [REDACTED] trial scheduled on March 30, 2011 in Belchertown (who is the ADA, is it still on, etc.) Any help you could provide would be greatly appreciated.

Finally, out of curiosity, which ADA is the head of drugs now that Sullivan is District Attorney? Thanks.

-Sonja
